		Bloomberg Ticker

¹Key Features and Portfolio Details are targets, not guarantees. The Net Distribution Yield of 7.2% and the Predictable Payout of 0.6% per month are targets based on the prevailing yields at the time of constructing the portfolio. Yields and the distribution may rise or fall during the life of the product depending on market movements and portfolio management of the underlying bonds. The Average credit rating BB+ is based on the Bloomberg Composite Credit Rating. Target Distributing of 7.2% is indicative. Principal can vary due to profit and loss, realized or unrealized gains, whether or not net of realized or unrealized losses, any coupons or distributions received from the underlying bonds, interest earned, any other cash receipts and capital.

²Benchmark - This Sub-Fund's benchmark is a blended index consisting of 50% "JP Morgan EMBI Global Diversified Index" ("EMBI") and 50% JP Morgan CEMBI Broad Diversified Index" ("CEMBI").

Disclaimer: This document has been prepared based on the sources believed to be reliable solely for information purposes by Mashreq Capital (DIFC) Limited ("MC") in its capacity as the Fund Manager of the Fund. MC is incorporated in the Dubai International Financial Center ("DIFC") and regulated by the Dubai Financial Services Authority ("DFSA"). This document does not constitute investment advice, solicitation, any offer or personal recommendation by MC or any related MC entity (which includes for the purpose of this disclaimer, any employee, director, officer or representative of any MC entity), to buy or sell any security, product, service or investment, or to engage in or refrain from engaging in any transaction, including any jurisdiction where any such investment advice, solicitation, offer and/or personal recommendation would be contrary to any law or regulation in that jurisdiction. Certain assumptions may have been made in the analysis that resulted in any information, projection, results and/or returns detailed in this document.

No warranty or representation is made that any returns/results indicated would be achieved or that all assumptions in achieving these returns/results have been considered. Past performance is not necessarily indicative of future results. Neither MC nor any related entity warrants or represents the accuracy of the information provided herein and any view expressed in this note reflects the personal view of the analyst(s) and does not take account of any individual investor's objectives, financial situation or needs or the suitability of investments against your individual needs and risk tolerance. Investors are required to undertake their own assessment and seek appropriate financial, legal, tax and regulatory advice to determine whether any investment is appropriate for them in light of their experience, objectives, financial resources and other relevant circumstances. Neither MC nor any related entity accepts any liability whatsoever for any direct, indirect, consequential or any other category of loss (except where there is gross negligence or willful misconduct on part of MC) arising from any use of this document and/or further communication in relation thereto. Neither MC nor any related entity has any obligation to correct or update the information or opinions in this document and any opinion expressed is subject to change without notice. This document is disseminated primarily electronically, and, in some cases, in printed form.

Any terms in this document are indicative and do not constitute solicitation or an offer to sell to the public, whether on any particular terms or at all. This document is not intended to identify, represent or notify any conclusive terms and conditions of any transaction, or other material considerations or any possible risk, direct or indirect that would or may be involved in undertaking any such transaction.

Prospective investors in the Fund must obtain and carefully read the Fund's most recent Prospectus as well as seek separate independent financial advice and prior to making an investment in the Fund to assess the suitability, lawfulness and risks involved. Prospective investors should be aware that investment in the Fund carries a significant degree of risk. The value of the investment and the income from it can fall as well as rise as the Fund are subject to investment risks, including the possible loss of the principal amount invested.

This information is not for distribution to general public and is intended for recipients only and may not be published, circulated or distributed in whole or part to any other person without the written consent of MC. Where this information is related to a Fund licensed to be marketed, it is directed to persons authorized to invest in the Fund and residing in jurisdictions where the Fund / investment product is authorized for distribution or where no such authorization is required.
