

Mashreq MENA Fixed Income Fund

NAV in USD as at May 31, 2021

Fund Description

The Fund's strategy is to generate a total return by identifying attractive fixed and floating rate income securities from the MENA region. For diversification, the Fund will selectively consider investments outside of the MENA region. The Fund is actively managed to align its strategy to changing macro and monetary trends.

Disclaimer: This document has been prepared based on the sources believed to be reliable solely for information purposes by Mashreq Capital (DIFC) Limited ("MC") in its capacity as the Fund Manager of the Fund. MC is incorporated in the Dubai International Financial Center ("DIFC") and regulated by the Dubai Financial Services Authority ("DFSA"). This document does not constitute investment advice, solicitation, any offer or personal recommendation by MC or any related MC entity (which includes for the purpose of this disclaimer, any employee, director, officer or representative of any MC entity), to buy or sell any security, product, service or investment, or to engage in or refrain from engaging in any transaction, including any jurisdiction where any such investment advice, solicitation, offer and/or personal recommendation would be contrary to any law or regulation in that jurisdiction. Certain assumptions may have been made in the analysis that resulted in any information, projection, results and/or returns detailed in this document.

No warranty or representation is made that any returns/results indicated would be achieved or that all assumptions in achieving these returns/results have been considered. Past performance is not necessarily indicative of future results. Neither MC nor any related entity warrants or represents the accuracy of the information provided herein and any view expressed in this note reflects the personal view of the analyst(s) and does not take account of any individual investor's objectives, financial situation or needs or the suitability of investments against your individual needs and risk tolerance. Investors are required to undertake their own assessment and seek appropriate financial, legal, tax and regulatory advice to determine whether any investment is appropriate for them in light of their experience, objectives, financial resources and other relevant circumstances. Neither MC nor any related entity accepts any liability whatsoever for any direct, indirect, consequential or any other category of loss (except where there is gross negligence or willful misconduct on part of MC) arising from any use of this document and/or further communication in relation thereto. Neither MC nor any related entity has any obligation to correct or update the information or opinions in this document and any opinion expressed is subject to change without notice. This document is disseminated primarily electronically, and, in some cases, in printed form.

Any terms in this document are indicative and do not constitute solicitation or an offer to sell to the public, whether on any particular terms or at all. This document is not intended to identify, represent or notify any conclusive terms and conditions of any transaction, or other material considerations or any possible risk, direct or indirect that would or may be involved in undertaking any such transaction.

Prospective investors in the Fund must obtain and carefully read the Fund's most recent Prospectus as well as seek separate independent financial advice and prior to making an investment in the Fund to assess the suitability, lawfulness and risks involved. Prospective investors should be aware that investment in the Fund carries a significant degree of risk. The value of the investment and the income from it can fall as well as rise as the Fund are subject to investment risks, including the possible loss of the principal amount invested.
